

Enroll Now

How to Apply*

- Children must be 3 or 4 years old by August 15.
- Families must meet federal income guidelines. Guidelines can be found on our website.
- Applications for enrollment are taken all year.
- Enrollment opportunities are available for children with disabilities, those in foster care or experiencing homelessness.
- Children do not have to be potty-trained.

* Must have in order to apply.
Proof of income for the past 12 months or proof of one of the following - SNAP/TANF/SSI; Birth Certificate; Immunizations on TennIS form; Proof of custody, if applicable.

What we offer

School Readiness

The program promotes language and reading skills, socialization and emotional development, learning skills, math and science knowledge and practice with fine & gross motor skills.

Health Services

Every child receives the following screenings: blood lead level, blood pressure, developmental screening, health history, hearing screening, physical exam, speech, vision, and growth assessment. We can assist families with transportation to their child's medical appointments, applying for insurance coverage, and establishing medical and dental provider homes.

Social Services

Our program offers support to families in achieving goals such as housing stability, continuing education, reading skills, financial planning workshops, and employment readiness training.

What we offer

Family Engagement

Our program works with families as equal partners to support children's ongoing development and learning. HeadStart parents, guardians or family members can serve as volunteers in the classroom. Volunteers are used to read stories to children, help with art projects, supervise children on the playground and on field trips.

Nutrition

Our program is committed to serving healthy meals to children. Our goal is to help families and children establish better nutritional habits. We also support children with special dietary needs or religious dietary practices.

Disability

Our program extends services to children with disabilities. Those include, but are not limited to, epilepsy, cerebral palsy, developmental delays, emotional or behavioral disorders, autism, learning disabilities, traumatic brain injuries, as well as health, hearing, speech, language, visual, and orthopedic impairments.

We serve the 8 counties of Northeast Tennessee
