Financial Literacy, Empowerment, and Case Management.

These services are provided through funding received by a community block grant and other local resources.

What we offer

Self-Sufficiency Program

This program is designed to help individuals gain education and/or job training to put them on the path of independence and stability. We work with clients and our neighbors to help them set and accomplish goals, overcome barriers, and assess progress in order to become self-sufficient.

Rent/Mortgage Assistance

Sometimes things happen that can make paying your rent or mortgage payment a struggle, or impossible. For those who qualify, we can provide assistance to help you get back on your feet.

Education Program

The Education Program provides financial aid, (tuition, books, car repairs, childcare, etc.) to neighbors wanting to attend school or continue their education. This includes the dual enrollment of high school students.

Income Management

This program assists neighbors with management of household income.

Commodities

In conjunction with the USDA, we provide commodity distributions (food) for our neighbors in need.

Referrals and Other Services

We have connections with other area programs/resources to help meet our neighbor's needs.
